Decision on Renewed Petition

On August 22, 2001, the application was filed, identifying David L. Morris, Steve A. Daniel, and Daniel J. Balbierz as joint inventors. The application was deposited without an executed oath or declaration. On April 27, 2007, a Notice of Allowability and Issue Fee Due was mailed, requiring, *inter alia*, a substitute oath or declaration. This Notice set a three-month period for reply.

An original petition was filed on June 29, 2007, and was dismissed via the mailing of a decision on September 4, 2007.

With this fifth renewed petition, Petitioner has submitted a declaration that contains the correct information for non-signing joint inventor Morris. Consequently, Petitioner has met each of the five requirements of Rule § 1.47(a), and has submitted all required fees. Therefore, this fifth renewed petition pursuant to Rule § 1.47(a) is **GRANTED** and this application is hereby accorded Rule § 1.47 status.

This Office will forward notice of this application's filing to the non-signing inventors at the addresses given on the declaration. Notice of the filing of this application will also be published in the Official Gazette.
